

Devon Freewheelers are a team of volunteers dedicated to providing a service 24hrs a day, 7 days a week supporting our NHS by delivering essential blood supplies for the purposes of transfusion, blood samples for the purposes of testing, organs and human tissue samples for the purposes of transplant, medication direct to the patient at home in the case of urgent need and Donor Breast Milk (which also comes under the Human Tissue Act) to the Neonatal Intensive Care Units throughout Devon.

Occasionally we go further afield to support patients in their hour of crisis. More recently, we started transporting life-saving blood products direct to Air Ambulances. Devon Freewheelers carry out this vital service to the Devon Air Ambulance Trust and the Dorset & Somerset Air Ambulance Trust. Last year alone, DSAA saved over 30 lives with on-scene blood transfusions. We are honoured to assist our colleagues in these great charities.

## REFRESHMENTS

It is a condition of entry that no food or drink is brought onto the premises.

A hot meal will be available to order and pay for in advance at £10 per person. Provisionally this will be a carvery. For this to be provided, at least 24 people must order it. If insufficient people do so, you will be offered a choice of three hot dishes or a refund of your £10.

It may be possible to order hot food or sandwiches on the day, but this is not guaranteed and would only apply prior to the commencement of play.
